
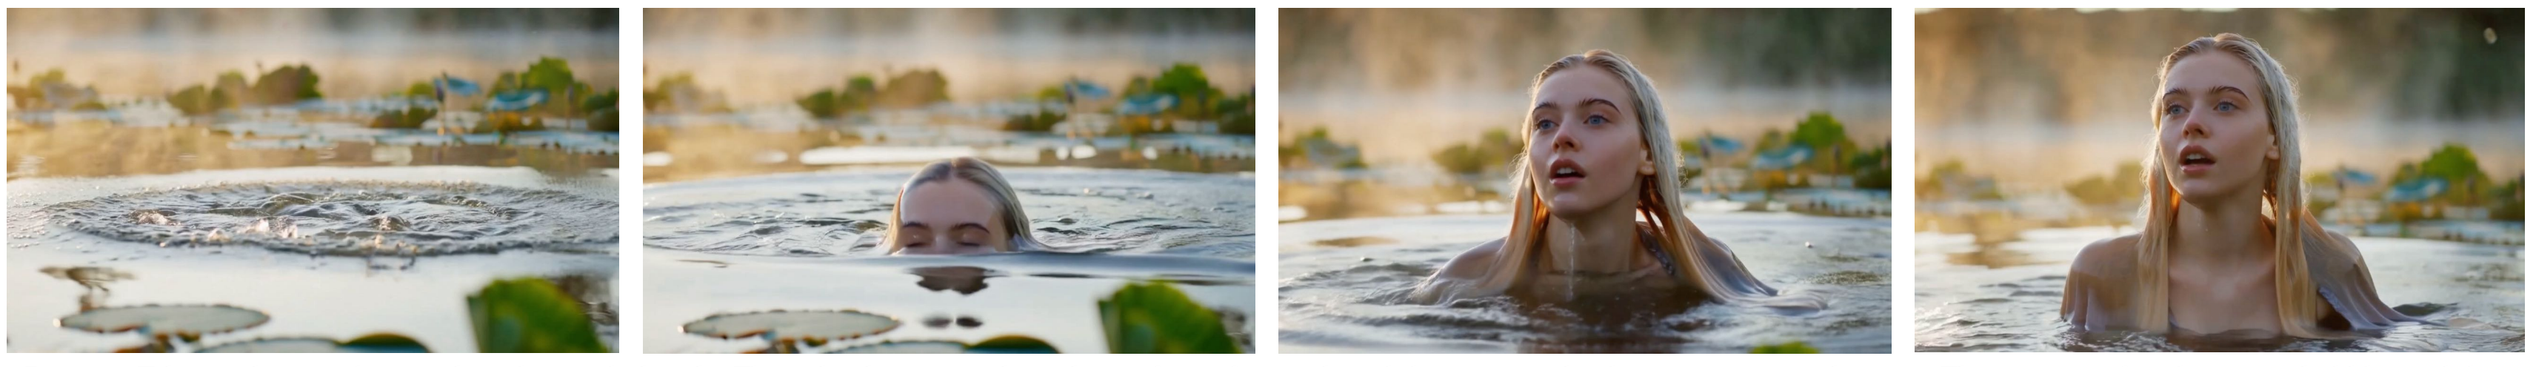
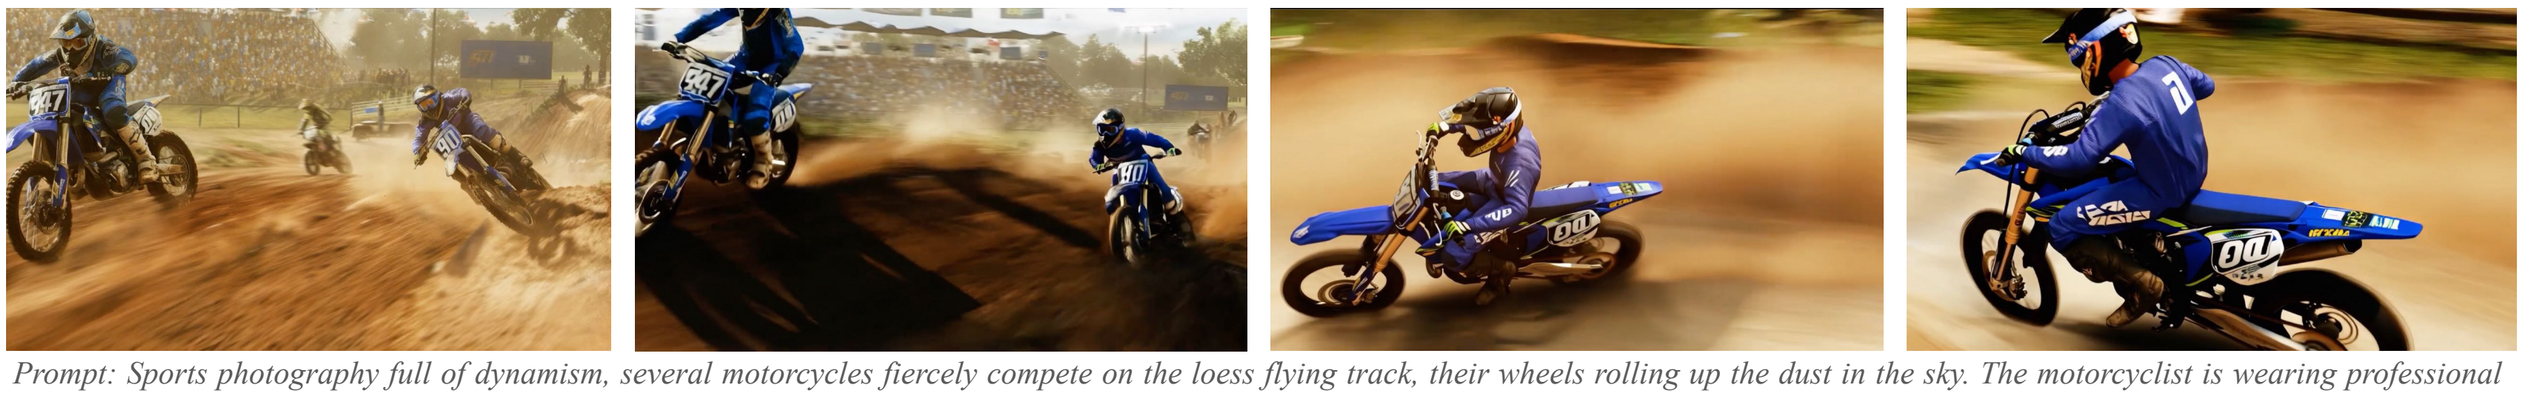
Prompt: Retro 80s Monster Horror Comedy Movie Scene: Color film, children's bedroom bathed in soft, warm light. Plush monsters of various sizes and colors are having a chaotic party, jumping on the bed, dancing to upbeat music, and throwing confetti. The walls are adorned with posters of classic 80s movies, and the room is filled with the playful laughter of children.

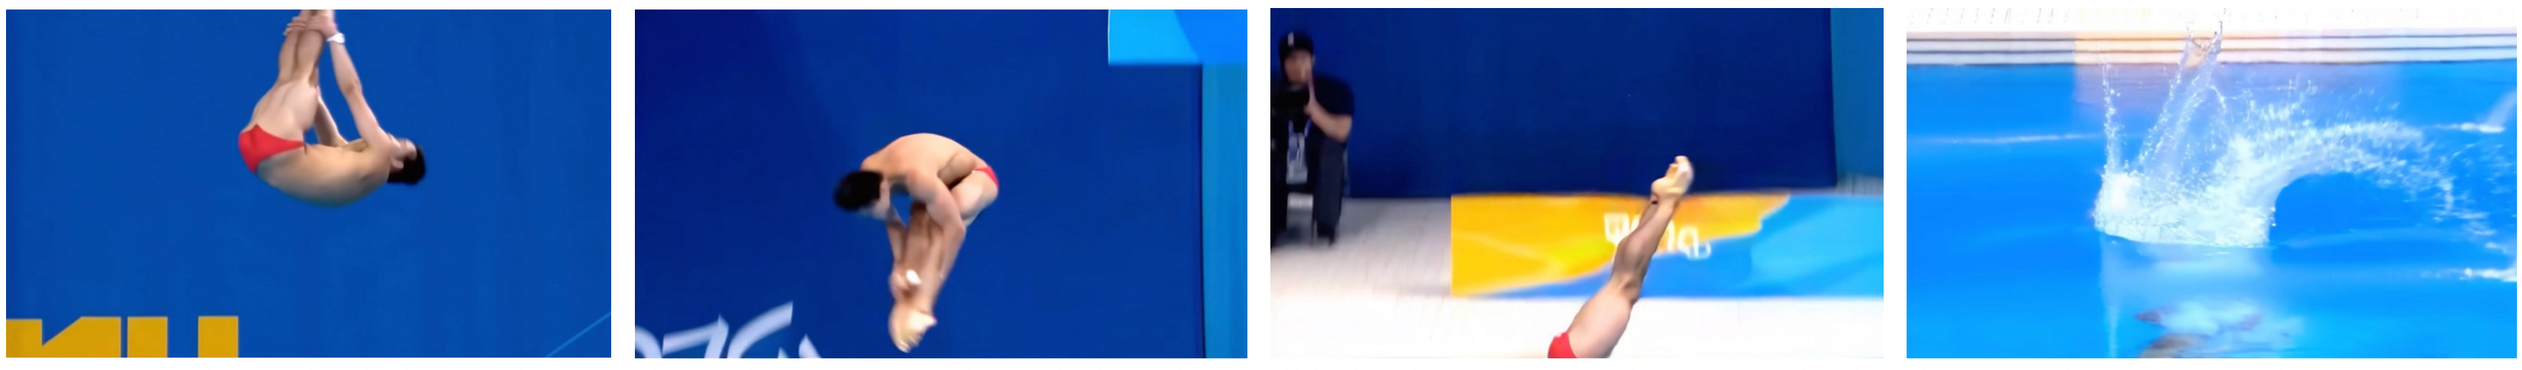
Prompt: A sepia-toned vintage photograph depicting a whimsical bicycle race featuring several dogs wearing goggles and tiny cycling outfits. The canine racers, with determined expressions and blurred motion, pedal miniature bicycles on a dusty road. Spectators in period clothing line the sides, adding to the nostalgic atmosphere. Slightly grainy and blurred, mimicking old photos, with soft side lighting enhancing the warm tones and rustic charm of the scene. 'Bicycle Race' captures this unique moment in a medium shot, focusing on both the racers and the lively crowd.



Prompt: Film quality, professional quality, rich details. The video begins to show the surface of a pond, and the camera slowly zooms in to a close-up. The water surface begins to bubble, and then a blonde woman is seen coming out of the lotus pond soaked all over, showing the subtle changes in her facial expression, creating a dreamy atmosphere.



Prompt: Sports photography full of dynamism, several motorcycles fiercely compete on the loess flying track, their wheels rolling up the dust in the sky. The motorcyclist is wearing professional racing clothes. The camera uses a high-speed shutter to capture moments, follows from the side and rear, and finally freezes in a close-up of a motorcycle, showcasing its exquisite body lines and powerful mechanical beauty, creating a tense and exciting racing atmosphere. Close up dynamic perspective, perfectly presenting the visual impact of speed and power.



Prompt: A professional male diver performs an elegant diving maneuver from a high platform. Full-body side view captures him wearing bright red swim trunks in an upside-down posture with arms fully extended and legs straight and pressed together. The camera pans downward as he dives into the water below, creating a dramatic splash with perfect entry form.

Prompt: A weightless young man, with soft features and an expression of serene astonishment, is slowly drifting above a sun-drenched field of swaying grass. Filmed in a retro cinematic style with warm golden tones and slight grain, side light accentuates the texture of his tousled hair as the wind gently brushes through it. The wide-angle lens captures the expansive landscape, enhancing the quiet, surreal levitation scene filled with calm wonder and gentle absurdity, defying reality's expectations.

Prompt: A distinctive father-son duo rides bicycles through city streets, clad in eye-catching attire - the father in a vibrant red suit and the son in neat school uniform. Their striking feature: giant yellow balloons replacing their heads, each meticulously painted with celebratory Chinese character "囍" in bold black ink, gently swaying in the wind as they pedal through the urban landscape.

Prompt: A retro 70s-style title sequence for a fictional action movie. Hand-drawn, stylized text "WAN" appears dynamically on screen, overlaid on fast-paced clips of car chases, explosions, and daring stunts. The text is bold, gritty, and slightly distorted, reflecting the 70s action movie aesthetic. A montage of high-octane scenes with a retro film grain effect, featuring warm, vintage colors. The sequences are bathed in golden hour light, enhancing the nostalgic feel.
